Does anyone here watch Dexter? I have a few friends trying to get me to watch it, but I don't think I will like it. What are your thoughts if you are a fan? What do you like about it?

I love it! It's a really great show although occasionally a bit gruesome. It's not gruesome just for the sake of being gruesome though it is actually a part of the plot. I would highly recommend it.

I watched it a couple of times when it first came out, but it wasn't my cup of tea. It wasn't a bad show though, I just couldn't get past the premise. You might like it.

I liked up to and including season four, but then it kind of went a bit wrong. Apparently they reset the series and got it back on track after the Rita thing but I haven't given it a chance I'll admit.

I'm not familiar with this show. What's it about? Which of the streaming services is it on? I don't ever watch cable or satellite TV anymore so if it's not on Netflix, I don't know anything about it, ha.

I read an article which stated that Dexter is one of the most watched series in the US. Is that true?

I watched a few episodes and it was intriguing, but I do not go out of my way to ensure I don't miss an episode. It makes me think of Hannibal, although the latter has a completely different story line.
