Have you filed your taxes yet? I need to file mine as soon as possible, but we are still waiting on two more W-2's. One is from the state for unemployment and they are certainly taking their time sending them out.

I filed mine on the 31st. I was lucky this year and managed to get my W2 very early on, so I filed through Tax Hawk and got notification over the weekend that both state and federal were accepted. Now I'm just hoping they hurry up with the refund!!

I haven't filed my taxes yet. I'm still waiting on my W2 to come in the mail. I've only got the one but my employer never sends them out until the last minute.

I just got my last 1099 today, so I will be filing soon. Unfortunately, I owe the IRS money from back taxes, so I don't get any of it back anyway. They take it as a payment.
