Has anyone seen The Monuments Men with Leonardo Di Caprio, Matt Damon, and John Goodman? There is actually an all-star cast for the movie. I haven't seen it, but I saw the book when I was waiting for a prescription at the store today and it looks like it will be really good.

I've heard of the movie but I haven't seen it. I didn't know that it was based on a book, or that it had such an all-star cast in it. I'm a really big fan of Leo and Matt Damon, though, so I will have to check this out!

It looks like an amazing movie, but I have not been able to see it yet. I didn't realize that Leonardo DiCaprio was in it though. It does have an all-star cast, so I am sure that the movie will be great.
