We were in Wal-Mart last night perusing the $5 movies and came across an old Eddie Murphy stand-up, Delirious. If you've never seen it, it's absolutely hilarious! We'd seen it before (several times) but bought it anyway; it's well worth $5!

What are some of your favorite older movies, stand-up shows, etc.?

It's a Wonderful Life is one of the movies that I have watched more than any other. For comedies, I really love the British show, Red Dwarf. It's hilarious.
