I'm starting to like country music more and more, but it's still a very new genre for me. Do we have any country music fans here? If so, can you name 3-5 good country music stars/bands for me to check out?

I like country music! Let's see, a few artists that I can think of off the top of my head include Brad Paisley, Carrie Underwood, Miranda Lambert, and Travis Tritt.

Some of the artists that I like in the country genre would be Kasey Musgraves, Luke Bryan, Jason Aldean, and Miranda Lambert. There are a ton of crossover artists these days that don't really fit in any one genre though.

Travis Tritt, does he even sing anymore?

I love country music. I love Luke Bryan, Jason Aldean, Carrie Underwood and Miranda Lambert.

There are so many artists to listen to. Just go to YouTube and look some up. There are a ton of videos there to watch too.

I love country music too. Luke Bryan is my favorite and it is because of the way he shakes his backside. He can sing too. Also love Jason Aldean and Darius Rucker.
