Subject: Recording From Radio Posted by Iceage on Fri, 21 Feb 2014 11:47:01 GMT View Forum Message <> Reply to Message

In the days of the old cassette tapes, this was never an issue. My father is going to be on an upcoming special on our favorite radio station. I'd like to record it. If I can't find a way I'll ask the station if I can get a copy, but is there a way I can do it at home with a PC program perhaps?
