I am so excited to see this movie. I remember watching Mr. Peabody & Sherman when I was a kid. Seeing the trailer really takes me back. I love that they are bringing back some of the classic cartoons and modernizing them.

I have never even heard of this cartoon. I'm going to have to look it up now. When was it on the air? Did you enjoy the new ones? I used to watch a lot of cartoons but I don't remember this one.
