I started watching Game of Thrones out of the blue and now I'm addicted. It's an HBO show and a little violent, with some interesting intrigue. It's about three families fighting for the right to rule the land. The good guys don't always win and unexpected things are always happening.

Yes I'm watching. A friend gave me the first 3 seasons and now I'm watching the fourth on HBO. Tonight is the finale and I'm excited to see what happens to Tyrion and the Wall.

I enjoy Game of Thrones. We don't have HBO anymore but I always watched the shows within a week of their air dates. I just had to be careful to avoid spoilers until then.

I'm a huge Game of Thrones fan. I read all of the books (that have been published so far) before getting into the HBO series. If you think the show is good, read the books!!
