I saw The Offspring in concert a few weeks ago.  They put on a great show!  If you ever have the opportunity to see them, take it.

I bet that was an awesome show.  I love The Offspring, especially the Smash album.  Who opened for them?

Now I'm jealous.  It's been awhile since I've been to a concert.

They actually had a few bands touring with them.  Stiff Little Fingers opened, followed by Bad Religion and Pennywise.  Of those three, I thought Pennywise put on the best show.
