Well, what was it?

Do you think you would watch it again? The last movie I watched was Lucy. I thought it was odd and a bit boring. I probably wouldn't watch it again.

The last movie I watched was The Lego Movie and I thought it was absolutely fantastic. If you haven't seen it yet, go watch it.

The last movie I watched was 'Vacation' on Christmas day. It wasn't as good as I thought it was going to be, but it did have some really funny moments. I don't think that I would end up watching it again, however.

We recently watched Martian OnDemand. I have to say, I was pleasantly surprised. It was better than I expected. Matt Damon did a great job, considering he was pretty much alone during much of the movie. I'd watch it again.

I think the last new movie I watched was Transylvania 2. Being a fan of kid-friendly animations (I have a toddler), I thought it was really cute. It was a good follow-up to the original.

Well.. the last movie I watched was actually an older movie streaming on Netflix. I'm not sure of the last new-ish movie I watched. I guess it was that one with Sandra Bullock and George Clooney... Gravity?
