Who here has watched Noah? I keep hearing that the special effects are really good and that it is a "dark" take on the biblical tale of Noah and the ark. Opinions?

I haven't seen the movie yet. Doesn't it have Russell Crowe in it? I really haven't heard much about it one way or the other.

Yes, it does have Russell Crowe in it. If I'm not mistaken, he is the actor portraying Noah. It also has Harry Potter's "Hermione Granger" -- Emma Watson -- although I don't know who she plays.
