The Rocky Mountain Audio Fest is this upcoming weekend (October 10-12) in Denver. Do any of you plan to go? I will not be there, sadly.

Oh sweet! You'll have to tell us how it is. Do you always go or is this your first year? Maybe I can go next year.

I won't be attending, either. I've never been before but I'd love to it, or to any other Audio Fest. I really wish they had one here in the southeast that I could go to.
