I knew all about Patrick Swayze being a martial artist in addition to being an actor, but I had no idea until just recently that he was also a singer. Did anyone else here know that he is the one who sings "She's Like The Wind" from the Dirty Dancing soundtrack?

I knew that, but not until years after the movie was made. My sister actually came home with the CD soundtrack one day and I was looking at the back of it and saw that. I was pretty shocked, too. Now that I know, I can hear it, but before, I had no idea.

Patrick Swayze was awesome! He was such a talented actor. I don't know of any other songs he sang, though. Did he ever release more than just that one song?
