Hi Wayne,

could you send me the 6Pi and 3Pi plans please, just noticed the driver array and I have a pair of the 12" woofers

Cheers

Des

Please decide which model is best for you and let me know. I'll send plans as soon as you've chosen the right model for your situation.

I'll build the 3pi initially then and see how I get on with the Pi sound. I'm a big fan of the horn sound and may well build the 6Pi in the not too distant future.
