Subject: Subwoofer for Klipschorn Posted by audiophile.1963 on Tue, 11 Nov 2014 09:30:46 GMT

Hi, I would like to build a subwoofer (preferably a couple) to be matched with a pair of Klipschorn. Must be efficient, get very low, below 20HZ and a woofer with cloth suspension no foam. I like the idea of the tapped horn but I do not know which woofer match, I do not have a project, and then if you have something suitable, thanks for your advice.

Kind regards Giuseppe
