How was everyone's Christmas? Santa was a little slow this year for me; I ordered a Bottlehead Seduction kit November 8th but it takes a while on those. That's alright. A product with that name is better delivered on Valentines Day anyway.

The Packers won the NFC North and are in the playoffs. It's a miracle. Everyone here in Green Bay is going nuts.....long live the cheeseheads!!

Glad to see another Packer fan in here. Is my first view of this site. Watch for a message on DIY Wisconsin maillist. I repost it in most of the forums around the 1st of month.

Nah, that's why you hire young, athletic college boys sporting six-packs and healthy pecs. No. No, that's not right. If you did that you wouldn't need the Hitachi!
