It's one of my favorite days of the year!

And just think, this year it will be even more special because instead of just being 3.14, it will be 3/14/15 9:26:53 at 9:26am and 9:26pm.

Extremely cool. I'm cranking up the 3PIs and having pie for desert. Does that make it PI squared?

How cool. I just finished my 3PIs on PI day! I have to move some furniture now, but they sound great. Thanks Wayne! I honestly can't believe that they came out so nice, too!

Thanks. They sound fantastic. That's distressed copper veneer from www.veneersupplies.com.
