Aside from How The Grinch Stole Christmas, have any other Dr. Seuss books been made into animated movies? I bought a bunch of his books as Christmas gifts for my daughter this year and I'm already thinking of getting the movies (if they exist) for her for Christmas next year.

My daughter loves this movie as well. She is a huge fan of Dr. Seuss and has read every book that he has ever made. I think there are only three other movies that have been released- The Cat in the Hat, The Lorax, and Horton Hears a Who. Has she seen any of these yet?
