Has anyone seen this movie? It is a very powerful movie about a young couple struggling with the ins and outs of life with their marriage suffering and almost dead. The wife meets an older woman introduces her to the idea of fighting her battles in prayer. Movie goers and critics alike were surprised how well this movie did at the box office.

I haven't had a chance to watch this yet, but I remember seeing the trailer for it. It seems like such an inspiring movie and I know a lot of people that have gone through similar situations where they could have used something like this.
