Someone broke into my neighbor's home and murdered him last night. He was in a wheelchair but lived on his own. He was a great neighbor, always friendly. It's hard to understand why people do the things they do sometimes. Thankfully, the police are pretty sure they have already caught the responsible party.

Oh my God! This is insane! This is terrible! Who would do that? Even if you broke into a home to rob it, don't kill the people inside!! I hate to hear this and I hope the cops have caught the right guy.
