Why I am just now watching this show?! It's great! I'm streaming it on Netflix and it's become my new binge-marathon show, LOL. I just can't believe Malcolm-in-the-Middle's dad is such a bad guy in this one!

I love the premise. A science teacher sells meth to pay for his cancer treatments. Very believable and it makes you wonder how often things lie this really happen.

I personally can't stand it.  How 'bout a competing series, where a guy who's life has been wrecked by addicts decides to find this guy and torture him.  That would be a sick show too, but I think I'd enjoy it more.

Think I'm coppin' a 'tude?

Well, yeah.  That's 'cause I've buried a lot of friends due to alcohol and drug addiction.

Wow. Yeah. I smell 'tude, ha.

My dad died of complications due to years of alcoholism but I can still enjoy the show. I think you just have to be able to separate the two. But I don't know; maybe it's a trigger for some people.
