Is anyone else planning on hitting up a few concerts of the summer? I know I am! I somehow managed to win (and I never win anything!) 2 tickets to 2 different country music concerts this summer. Then just a day or two ago, a good friend of mine said they had an extra ticket for a concert this summer & wanted to know if I wanted to join. So far, I'll be going to 3 concerts...and haven't paid anything for the tickets!

Those are the best times to go to concerts. I've never been that lucky and with the price of the tickets for most concerts I hardly ever get to go.

I hear you! Ticket prices are getting to be insane. I just did my last final splurge on concert tickets for the year, I think. Had to add in a Carrie Underwood concert in October. She's amazing!
