SOLD
I'm selling a complete 4 Pi Speaker Kit (2 speakers) which includes everything but cabinets. All the parts are brand new and never used except for the JBL 2226Hs which were purchased used from a church. Everything for $950 + shipping (cont US only).

The kit includes:

2 JBL 2226H woofers
2 fully assembled 4-Pi xovers (Jantsen cap + Inductor upgrade)
2 H290C waveguides
2 B&C DE250 compression drivers

Hi,
If you can break up the set, I am interested in the horns and compression drivers.

Thanks,
Tom
