I just got my tickets for 'The Summerland Tour 2016' yesterday! There are four bands playing, one of which is my all-time favorite- Lit! I've been waiting to see them for almost 20 years now and I'm finally going! Are there any bands that you have been waiting a really long time to see in concert?

When I was young I liked VH. They were big in the late 70's and early 80's.

After over 20 years, they got back together.
I went to see them in Philly in 2007.

It was just like old times
