Right now I'm watching the Bronco's / Raiders game, and Denver is still looking really good against another really good team. Do you think they have what it takes to go to the Super Bowl 2 years in a row?

Of course they will. I can give you a lot of very good reasons why, but for now just one will do! The guys they have, they know what it takes and they know what they need to do. It's as good as done in my opinion.

I like your optimism Gemmel. I'm a fan too, but I look around at teams like the Raiders, Patriots and Cowboys and I have to question if the Bronco's are on that level.
