I don't know about you but my friends think I'm a little odd because I love karaoke so much. Any others here who share my passion? Maybe this is the only place where it's safe to admit it, LOL.

I wouldn't necessarily call myself a fan, but whenever we find ourselves in a bar with karaoke, me and my friends always have so much fun singing along to popular songs. It's a great way to spend time with your friends.
