Out of all the movies that are coming out this year, which movie are you looking forward to the most? For me it's the movie God Particle, due out in October. I can't wait!

I'm also looking forward to that one, too. But if I had to choose just one movie, it would be Ready Player One. That's the one I can't wait to see.

I haven't heard of the movie that you guys want to see, I'll have to check out the trailer for it. However, I am definitely looking forward to seeing "The Mummy".
