Are you excited about this new movie as I am? Apparently, it will be out in the next week or so. Do you think there'll be anything different, say like someone who'll take over Paul Walker's role efficiently?

I haven't really been a fan of those movies, but I do know just how excited a lot of people are to see them. Haven't you seen the trailer to see who is in it?

I don't know who they could possibly have tried to get to fit into Paul Walker's shoes, but I doubt that the person will do the part justice.

Exactly Vernon, it would be so hard to replicate Walker's role. I have seen the trailer with Dwayne Johnson and the rest of the cast in it so I guess it will be best to wait and see how this movie turns out.
