Had to share my happiness with my friends. And my daughter isn't really a beast!The Groom, BTW, has a pair of Meridian DSP something active speakers. I let her marry him anyway.....

'Twas on the bay side 'beach' of Key Largo at the Sheraton with the sunset for a background and a string trio. Perfect weather. Whilst we tossed down a few on the beach before the reception the Cellist remained and played Bach Suites. And this guy could play. Live Cello, outdoors, palm trees, Florida Bay (the 8th wonder of the world) and my daughters wedding; that's the Absolute Sound!
