i know nothing. I just want something to play some records for reeeally cheap. So preferably a turntable that has inbuilt amp so i dont hafta buy one and spend. So what can i get for about \$150 aus thats about 115 US i think. Its nothing i know but yeah. any suggestions. And whats the deal with the outputs for the speakers on most of them? Can i connect mini hifi to it or something. Think cheap and nasty. Thanks.

Those turntable/stereo combinations in a suitcase are nice. Some have the speakers that extend out into the room.
