Hey guys, I'd like to know today what your favorite soundtrack is. I can't exactly pick a favorite, but I used to enjoy all the Twilight soundtracks.

My favorite soundtrack comes from The Wizard of Oz. Nothing beats "Somewhere Over the Rainbow" or "Merry Old Land of Oz". The movie is a cult classic and so is its music.

Madison, a lot of people seem to love "Somewhere over the Rainbow", but I have never been able to get into it. Maybe it's because there is so many acapella versions of it out there.

Madison, those are some really great choices. I think that those are definitely classics that most people enjoy. I feel that the love of the "Wizard of Oz" will never die.

I'm not sure if I can pick a favorite. I can narrow it down to two though...I think. I'm going with O Brother Where Art Thou and Forrest Gump as my personal favorites. Wizard of Oz is great too, though.

I have always been a fan of the original Grease. I know all the words to the songs and most of the dance moves too. Go greased lightening!
