I found this Christmas freebie today and thought I'd share. You can preview each song to see which ones you wish to download or you download the whole album. It's worth a listen because they have a unique sound. <http://happyholidays.siriusxmevents.com/>

Ohh! Thank you so much for sharing! It's hard to believe that you wouldn't want to download the whole album for free but it's nice that they give you an option.
