I've recently decided to throw down the money and get some premium channels. There are so many shows to choose from! What HBO, Showtime, Cinemax, Starz, etc. shows are your favorite? I've been binge watching the heck out of Veep and I'm almost done. It's such a funny show. You should watch it if you haven't!

Game of Thrones is spectacular and worth binging if possible. I'm sad to see it end. I've liked most of the documentaries on HBO. They've covered everything from abortion to mental illness. It's usually classy and doesn't stoop to dehumanizing the people like TLC and other cable channels.

Veep really is hilarious. If you're into humorous shows, check out Curb Your Enthusiasm. I think it's one of the greatest shows ever. They have a new season coming out later this year too. If you're into "stupid" humor, Summer Heights High is an Australian show that's got some really, really funny moments.
