As most of you are aware, the forum has experienced technical difficulties. We are working on it and will have full functionality restored as soon as possible.

We are sorry for the inconvenience.

The system is fully functional now.

Please respond to this thread if you have any difficulties.

We are re-indexing all the messages to recreate entries for the search engine. It is a very CPU-intensive process, so we throttle the indexing to allow user interaction. But the system will be a little sluggish for a few days more.
