Has anyone ever watched this TV series? I am not much of a TV person, but I was convinced by a friend to give Lucifer a shot and I was not disappointed.

Thoughts?

That show is pretty good, I thought. Kelly and I watched the first three seasons a while back. And then recently when the 4th season came available, we binge-watched every episode in just a few days. :)

I really enjoyed watching Lucifer on Netflix and I have just finished watching season 4. I am not sure what season 5 will bring, but I can't wait for it to start!
