I'm pretty excited about what I heard today! I heard that there will be numerous new Hallmark Christmas movies this year. I watch all of them, I've watched them multiple times. It's time for new ones. Anyone other fans?

I bought my wife, Kelly, a lifelong subscription to the Hallmark channel for her birthday last year. She loves that channel.

Actually, of course, they don't sell a "lifelong subscription." I just maintain the subscription for life. :lol:

That's what we do Wayne, maintain them for life. :lol:

There's a talk show host I listen to and he loves the Hallmark Christmas movies. He knows they're sappy but he loves them anyway.

I get the station with my cable subscription. I love the movies! I also love Lifetime movies. I can't wait to see the listing of the Christmas movies. I will record them all!

Oh great! More movies my wife will want me to watch with her. No, just kidding, I enjoy these sappy movies too. If she sits through Marvel movies with me, I can enjoy these with her.

I haven't watched any in a while, so I don't know. But do they put scenes in these movies that show people getting together over Thanksgiving dinner?

I can't lie... I hope there are new releases this year too. I'm a huge fan of these corny movies. With all that is going on in the world today, give me more corny movies. I have already started watching them this season.
