Anyone watching the NY Yankees this season? I've been to 3 games (regular season). I want to go to a playoff game. Man, they are on fire! What a season so far, next man up - with so many injuries.

Well... they aren't looking so hot right now. I mean, the series is all tied up but Houston's pitchers just look untouchable right now.

I say Go Yankees!

Sorry guy's. The Yankee's have been there so many times, I wouldn't bother to count. Spread some glory around. Washington's been firing blanks in one name or another since 1924. Maybe it would instill some pride in our nations capital. Something that psycho drama city needs. Remember how sweet it was for the Cubs.

They have to win tonight, to move on. I get that they have been so many times, still want them to win. I would have loved to watch them in the playoffs! Offense needs to start hitting the ball.

Yeah. I'm glad for them. I hardly watch any professional sports anymore. Just don't give a damn. So much money, so much hype. But it's so prevalent in our world that you can't ignore it. So, spreading the glory around to some of those underdog teams is I think, good for the various sports. It's like the Wally Cox's of the world getting the girl from the cool guys.
