This isn't even a joke. It's actually available. Click the picture and it'll take you to KFC where you can order yerself up some chicken logs. :lol:

Ay caramba.. What kind of carcinogens might it release. And a house smelling like KFC. Spicy or original recipe? I need to get out soon and get supplies to last till next year. The thought of Christmas madness and the moiling mobs is too much to bear.

I'm just disappointed nobody makes a Butterball turkey log.

With the interest in hemp these days. How bout a Cheech & Chong 'Labrador' log for the old fireplace.

Nothing like the smell of labrador in the morning.

Now that's a good idea! You could even follow the hemp log with a KFC log for the munchies.
:lol:
