For sale are my loved Pi4 speakers with JBL2226H and DE250 and premium XO parts, walnut veneer. Built with all new drivers and latest waveguide. Speakers are roughly 6yrs old but have been used very sparingly for weekend music and critical listening.

Hoping for local sale in Austin Tx but could be palleted and shipped at buyers expense.

These are very heavy made with 1" thick MDF to Waynes specs. Price \$1000
