The inspiring story of Chuck Surack who started in a VW Bus and has grown Sweetwater.com to over \$1B in sales. Chuck is a humble man who does a lot for music education on top of being a business leader in online music instrument and equipment sales.

Cool, thanks for sharing. I didn't know much about him, so it's interesting to hear the story behind the legend. I have to say that I'm surprised. Good on him for going for it.
