Yeah, I had never heard of him either until I heard his song about grandpas. I Wish Grandpas Never Died, that's it - man it pulls at my heart! Almost as good to me as The Judd's, grandpa song.

I love that song!! I also love The Judds too. Some songs just hit you right in the feelings. Is this Riley a new singer? I didn't know it was him who sang that one. I thought it was Tim McGraw.

That is funny because my husband said the same thing (about it being a McGraw song). He is the one that heard it first and asked me to download it. I haven't looked to see if he has more songs yet.

I just looked him up and I didn't know any other songs. This is a great first hit! I think Riley has a great and successful future ahead of him.

I'm thinking this is in the realm of Randy Travis. I have never heard of the singer or the song, but comparisons to the Judds lead me to believe this.

I'll give it a listen later today.
