It can be pretty hit or miss when it comes to a Netflix original series, but I loved this one too. It tells a fantastic story, the characters are believable and engaging, and the show is surprisingly funny. I particularly loved Kim Seon-ho. My only complaint is that the ending was predictable. I wish they'd do a second season.

I dont like it when a show only does one season. It's so anticlimactic. If it doesn't have at least 7 seasons, it shouldn't be on. 8)

You know I feel this way too. I don't want to get invested in a show to only have 1 season. I will watch something new if there are at least 3 seasons, but not usually just one.
