AudioRoundTable.com was been online for a year now, and on behalf of all the sponsors here, we wanted to thank each and every one of you for your contibutions and your participation. The friendly dialog and information sharing here has been tremendous, and we appreciate your being here.I'd also like to thank each of the sponsors in particular, for making this website possible. Without their efforts and contibutions, this website would not be possible. That includes the individual contributors too, who have been so generous.Colin Hester is a little like the ART Santa Claus, because he has donated another exciting prize. So be watching for an announcement. Post often, because that makes your chances of winning prizes even greater.Please take a moment to look below at the list of sponsors. Colin Hester recently donated another fine prize to award to AudioRoundTable.com participants. This one is a set of Grado SR60 headphones, brand-new and in the box. Whomever makes the 30,000th post gets it and we're sitting at 26,500 posts right now so it won't be long.Grado SR60 Headphones
