Hired by Dr. Floyd Toole 20 yrs ago, it was an honor to have Distinguished Engineer Todd Welti on from Harman. Todd speaks openly what his daily job consists of; room modeling, subjective correlation, headphone acoustics, machine learning to product development.

Oh my God, that was funny! But seriously, I'm just a big fan of Welti and his pioneerinng work on multisubs. And your visit with him was really good. I enjoyed it.
