I keep hearing about some show called Mayans. It is supposed to be a spinoff from Sons of Anarchy. Anyone watch it, heard of it? I believe Chibbs and Tig were supposed to be in it.

Mayans M.C.? You can catch it on Hulu and Amazon Prime Video. It might be shown elsewhere, but those are the two that I know. The first season was excellent, but I felt it went down hill from there. I eventually stopped watching. It's still going though.

I didn't know there was a spinoff. I'm going to have to watch it. Are any of the Sons of Anarchy members in Mayans, MC? I really liked Chibs so it would be cool if he was in this one too.

It's a good show. Quite a few SOA characters have popped up like Gemma, Chucky, Montez, and even Chibs. Sometimes it's just for an episode or two. Some of the "dead" characters only return through flashback/dream scenes.
