I am a fan of all things Marvel. I have started to watch this movie three times now, life keeps getting in the way. I love it so far. Anyone watch it? Thoughts on the movie?

I love Marvel movies too and this one was great. I'll admit there were times when I was confused. I actually watched it twice, and picked up more after the second time.

For a second there, I thought this was going to be about that old Jefferson Starship song.

It sounds a bit dated at this point, but do you think it would have any place in that movie? I haven't seen it.

I finally watched it - and wow! Scarlett Johansson owns that role! My only criticism is that the story skipped along and had a few gaps, but overall, this film is my new favorite hero flick.
