It's been 6 years since I had my last Christmas tree up. Since I got my cat in 2014, it meant the end of Christmas decorations :d The first year I got her, I put up the tree and spent so much time decorating it, only to see my cat break it into pieces. After that year, it was just not worth the trouble anymore. Oh well...

LOL that cracked me up! I don't have a cat, but my sister does, and she used to have the same problem when her cat was a kitten. Now the cat sleeps almost all the time and he couldn't be bothered with the tree :lol:

I'm very sorry about that, maybe this year you won't have the tree but next year you will have it

Haven't had a tree in years. A wreath and some string lights are good enough at my house. The last tree I bought was really short!
