Terry's has the most rational and respectful notions on making a marriage work. All it takes is some calm understanding and thoughtful suggestions.
You'll have to watch till the end, Terry's...

Hi, I consider marriage a cooperative effort and what you put into it has a huge effect on what you get out of it. Understanding, respect and imagination are IMO super important. We just passed the 45 year mark...I guess we are doing something right. 8)
