I did it! I bought tickets last night to go see Garth. It's been a goal of mine for 25+ years! I have to travel a bit but I'm sure he will be worth it. Has anyone been to his concert?

I'm not a country music fan, so I can't say that it's ever been a goal of mine. I hope you have a blast, though. I've heard that he puts on a great show.

That is awesome! I went to his concert many years ago, back before he stopped having concerts. It was an amazing show. Where are you going? I heard he was back at it! I bet it is at a stadium or somewhere really big! Have a great time.
