Thanks for the heads-up. It's in my queue.

Should I watch "Vikings" first? I understand "Vikings: Valhalla" is its sequel.

I have never watched Vikings tv show. Valhalla is 100 years after. Take your time watching Valhalla. The story is good. Before you know it, it is over.

Oh, that'll never work for me. My wife and I are both "binge watchers." We don't do anything "just a little bit" or at an appropriate speed. We'll watch that whole series in a weekend! :lol:

I've seen Vikings and I must confess that it was a TV show that was filled with suspense. It is very difficult to guess what is going to happen next and that's all I like more about watching TV shows.

I finished watching the Vikings TV series in a month. I just wished Ragnar didn't die in the movie.

Did you later watch the movie? What are your favourite scenes?
